The Firm

The Firm

To know the law is not merely to understand the words, but as well their force and effect
- Justinian

THE FIRM

M Grewal & Co was set up in 1994 to provide corporate clients with personalized legal advice and assistance. We are a law firm based in Hong Kong.

Our clients range from large multi-national corporations to medium sized businesses based in Hong Kong, Canada, Europe and USA. We also act for smaller local enterprises.

PRACTICE AREAS

Intellectual Property Law · Commercial Law · High Court Litigation

OUR ADVANTAGE

The firm was set up by Mickey Grewal, a solicitor in private practice since 1988 and admitted to practice in England, Hong Kong, California and New South Wales, Australia.

He has acted for many well known international corporations and has ***prepared and successfully secured patents*** for clients in numerous countries

Litigation matters handled by him have set legal precedent in Hong Kong and UK.

OUR STRATEGY

The firm works with clients from the very outset of their business/ project development. By working with clients on a long term basis we get a full insight into each individual clients needs. This ensures that clients do not lose or compromise their rights. We make certain that all their future options are protected.

Our in depth appreciation and understanding of commercial matters comes from working closely with senior management and decision makers. This appreciation and understanding is reflected in our quality of legal service.

We strive to provide clients with comprehensive legal and commercial advice.

Intellectual Property

Intellectual Property

Discovery consists of looking at the same thing as everyone else does and thinking something different - Albert Szent-Gyorgyi

INTELLECTUAL PROPERTY

Intellectual property is a cornerstone of the firm's practice.

We have considerable experience and expertise in dealing with contentious and non-contentious intellectual property matters.

OUR EXPERTISE

Copyright · Trade Marks · Design Rights · Patents
Passing-Off · Protection of Confidential Information

The firm advises clients on all aspects of intellectual property matters from creation, registration, exploitation, protection through to enforcement of their rights.

We have a very strong scientific and technical background and have a particular interest in biotechnology, computers, pharmaceuticals and high tech industries.

The firm has helped clients acquire patents for inventions in such diverse fields as computer software, building construction, electronic engineering and mechanical engineering. In keeping with our philosophy of providing personal service, we prepare all patent specifications in house.

We have successfully obtained patents for clients in many countries around the world including Australia, China, Hong Kong, France, Germany, Korea, Malaysia, Philippines, Netherlands, Russia, Singapore, South Africa, Taiwan, UK, USA and Vietnam.

Litigation Litigation

In law, it is good policy never to plead what you need not, lest you oblige yourself to prove what you cannot - Abraham Lincoln

LITIGATION

Litigation is a very important and integral part of our practice.

We have handled major litigation for multi-national clients in relation to a wide variety of commercial and intellectual property matters.

OUR EXPERTISE

Breach of Contract · Recovery of Money Due · Winding Up Joint Venture Entity · Employment Contract Disputes · Enforcement of Foreign Judgements · Contempt of Court · Bankruptcy · Infringement of Patents · Copyright · Trade Marks · Designs · Passing Off · Domain Name Disputes · Breach of Confidential Information

On our clients behalf, we have successfully initiated and defended actions, to protect and enforce their rights.

We have represented clients at all stages of litigation from pre-trial matters, ex-parte and inter-partes interlocutory injunctions, Anton Piller orders (civil search and seize), applications for summary judgement, applications for security for costs, discovery through to trial and all the way to appeal.

Commercial Law

Commercial Law

The smallest fact is a window through which the infinite may be seen

- Aldous Leonard Huxley

COMMERCIAL LAW

The firm handles a broad range of commercial matters for multi-national corporations. We specialize in **advising on and preparing** commercial agreements.

We have prepared agreements in respect of multi-million dollar deals through to simple routine matters.

Our clients vary from diverse industries such as building materials, construction, consumer products, consumer electronics, garments, healthcare, jewellery, music, software, toys and watches.

OUR EXPERTISE
